Meeting Planner Resource

In preparation for your event, here is some helpful information to ensure Stephanie offers a successful program for you and your organization.

The following audio visual needs ensures her presentation is interactive and engaging.

- Wireless lavalier microphone, if available
- Projection capability for Prezi presentation
- Appropriate cords to connect computer to your equipment; must be compatible with an Apple MacBook (Stephanie prefers to present from her computer)
- Electrical access to maintain computer charge
- Internet access for use of digital tools for participant interaction

The following room setup suggestions ensure her presentation is poised for overall success.

- She can work within any set-up but prefers to be near the audience so she can interact.
- Distance from the first row of seats/tables to the stage should be no more than 10 feet.
- Lecterns can be available, however Stephanie is a high-energy, high-content speaker who loves to connect with her audience and will move around the stage and often out into the audience if feasible.

Stephanie would love to discuss opportunities for book signings, bulk book discount rates, custom editions of her books and additional ongoing coaching and consulting opportunities to support your team, business, organization and clients as well. Please reach out to learn more.
